About this Guide

The latest PrivCo platform performs a wide variety of functions to meet your private company and research needs. The purpose of this guide is to help you navigate through the latest user interface to guide you through your daily workflow. Try our advanced search by building your own criteria to uncover the most qualitative private company data.

New Feature: Dynamic dashboard

Intelligent search bar enables you to search for industry, keywords, companies, and investors.

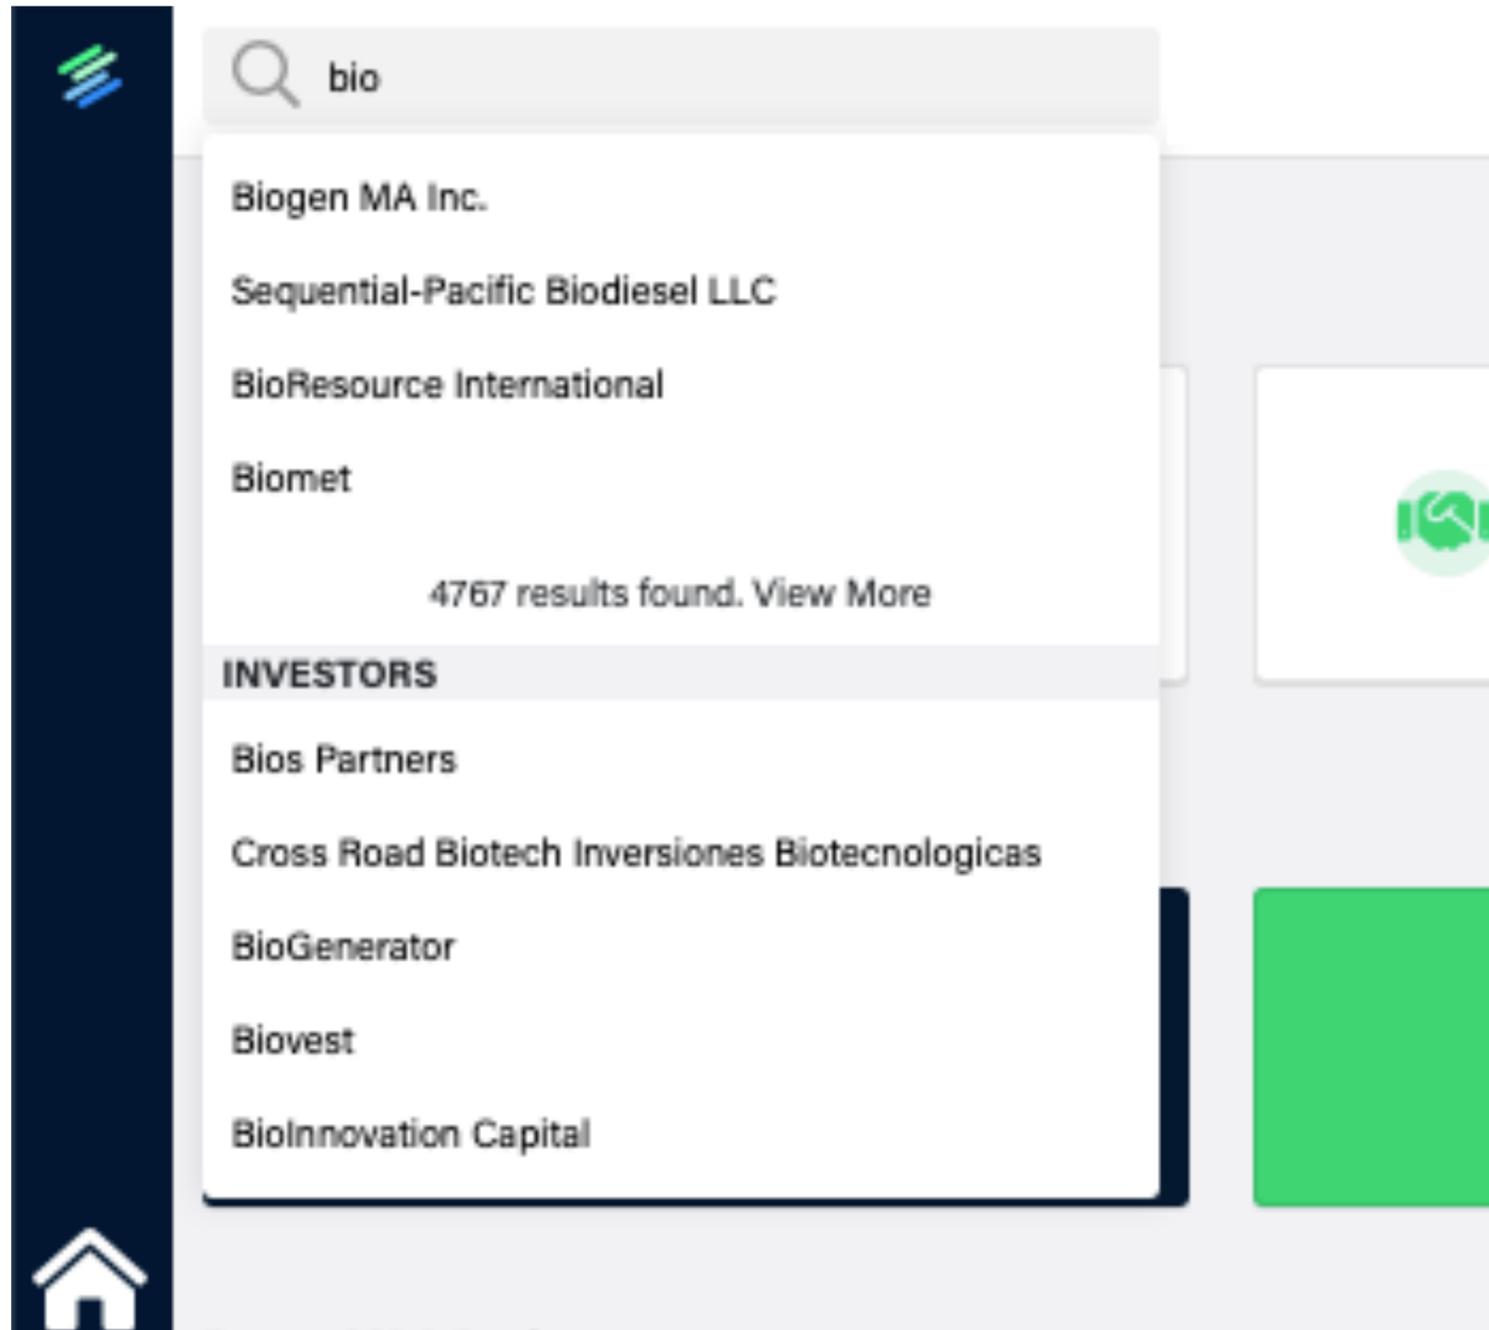

The dashboard features a search bar at the top left with the placeholder text "Search by company name or keyword". The user's name "Jon Chu" is displayed in the top right corner. The main content area is divided into several sections:

- At a Glance:** Three summary cards showing "382,435 PRIVATE COMPANIES", "81,086 M&A DEALS", and "62,829 FUNDING ROUNDS".
- Watchlists:** Three colored boxes (dark blue, green, and blue) indicating "Watchlists coming soon".
- Recent M&A Deals:** A table listing deals with columns for Buyer, Target, and Price.
- Weekly Top Funded Companies:** A table listing companies with columns for Company and Total Funding.
- Most Searched Industries:** A horizontal bar chart showing "Software & Internet Services" as the most searched, followed by Biotechnology, Consumer Finance, Consumer Products, and Technology Services.
- Top Industry Coverage:** A table listing industries with columns for Industry and Total Companies.

A vertical sidebar on the left contains navigation icons for home, search, list, folder, and menu.

Individualized insights cater to your searches and needs.
