INDEPENDENT AUDITOR'S REPORT

TO THE MEMBERS OF SINGHALESE SPORTS CLUB

Report on the Audit of the Financial Statements

Opinion

We have audited the accompanying financial statements of Singhalese Sports Club, ("the Club"), which comprise the Statement of financial position as at 31 December 2022, and the Statement of Income and Expenditure, Statement of Changes Equity and Statement of Cash Flows for the year then ended, and a summary of significant accounting policies.

In our opinion, the accompanying financial statements give a true and fair view of the financial position of the Club as at 31 December 2022, and of its financial performance and its cash flows for the year then ended in accordance with Sri Lanka Accounting Standard for Small and Medium-Sized Entities ("SLFRS for SMEs").

Basis for Opinion

We conducted our audit in accordance with Sri Lanka Auditing Standards (SLAuSs). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Club in accordance with the Code of Ethics issued by CA Sri Lanka (Code of Ethics) and we have fulfilled our other ethical responsibilities in accordance with the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Other Information

Executive Committee is responsible for the other information. These financial statements do not include the other information.

Our opinion on the financial statements do not cover the other information and we do not express any form of assurance conclusion thereon.

Responsibilities of Executive Committee and Auditors

Executive Committee is responsible for the preparation of financial statements that give a true and fair view in accordance with Sri Lanka Accounting Standard for Small and Medium-Sized Entities ("SLFRS for SMEs"), and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Club's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Club or to cease operations, or has no realistic alternative but to do so.

Executive Committee is responsible for overseeing the Club's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SLAuSs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

A further description of the auditor's responsibilities for the audit of the financial statements is located at Sri Lanka Accounting and Auditing website at: http://slaasc.com/auditing/auditorsresponsibility.php. This description forms part of our auditor's report.

Report on Other Legal and Regulatory Requirements .

We have obtained all the information and explanations that were required for the audit and, as far as appears from our examination, proper accounting records have been kept by the Club.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST DECEMBER, 2022

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

1.1 General Policies

1.1.1 Basis of Preparation

The Statement of Financial Position, Income Statement, Statement of Changes in Equity, Statement of Cash Flows, and notes together with summary of significant accounting policies (the "Financial Statements") of the club have been prepared in accordance with Sri Lanka Accounting Standard for Small and Medium – sized Entities as issued by The Institute of Chartered Accountants of Sri Lanka (ICASL).

1.1.2 Responsibility for Financial Statements.

The Executive Committee of Singhalese Sports Club is responsible for the preparation and fair presentation of financial statements.

1.2 Significant Accounting Judgments, Estimates & Assumptions

The preparation of the Club's Financial Statements requires management to make judgments, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities and the disclosure of contingent liabilities, at the reporting date. However, uncertainty about these assumptions and estimates could result in outcomes that could require a material adjustment to the carrying amount of the asset or liability affected in the future. These factors could include judgment, estimates and assumptions.

Judgments

In the process of applying the club's accounting policies, management has made some judgments, apart from those involving estimations and assumptions, which have the most significant effect on the amounts recognized in the financial statements.

Estimates & Assumptions

The key assumptions concerning the future and other key sources of estimation uncertainty at the reporting date, that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year are discussed below.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST DECEMBER, 2022

1.2 Significant Accounting Judgments, Estimates & Assumptions (Cont'd)

(a). Fair Value of Financial Instruments

Where the fair values of financial assets and financial liabilities recorded on the Statement of Financial Position cannot be derived from active markets, they are determined using a variety of valuation techniques that include the use of discounted cash flows model and/or mathematical models. The inputs to these models are derived from observable market data where possible, but where observable market data are not available, judgment is required to establish fair values.

Changes in assumptions about these factors could affect the reported fair value of financial instruments.

(b). Valuation of Defined Benefit Obligations

The cost of defined benefit pension plans is determined using the half a month's salary of the last month of the financial year in respect of all employees who have had five years of service, commencing from the first year of service.

(c). Fair Value

Fair value is the amount of consideration that would be agreed upon in an arm's length transaction between knowledgeable, willing parties who are under no compulsion to act. When a financial instrument is initially recognized, its fair value is generally the value of the consideration paid or received. Subsequent to initial recognition, the fair value of a financial asset quoted in an active market is generally the bid price and, for a financial liability quoted in an active market, the fair value is generally the asked price. For financial instruments such as cash equivalents and short-term investments that have a short duration, the carrying value of these instruments approximates fair value.

(d). Income Tax

The club is subject to income taxes and significant judgment is required in determining the overall provision for income taxes.

1.3 Functional & Presentation Currency

The functional currency of the club is determined to be Sri Lanka Rupees and the Financial Statements are also presented in Sri Lanka Rupees.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST DECEMBER, 2022

2. SPECIFIC ACCOUNTING POLICIES

2.1 Financial Assets

The club classifies it's financial assets into the following categories; held to maturity, available for sale and trade receivables. The classification is determined by management at initial recognition and depends on the purpose for which the investments were acquired.

2.1.1 Classification

(a). Held-to-Maturity Financial Assets

Held-to-maturity investments are non-derivative financial assets with fixed or determinable payments and fixed maturities that the club's management has the positive intention and ability to hold to maturity, other than: those that;

The club upon initial recognition designates as at fair value through profit or loss; or

The club designates as available for sale; and

That meets the definition of loans and receivables.

Interests on held-to-maturity investments are included in the income statement and are reported as 'Other Income'.

(b). Available-for-Sale Financial Assets

Available-for-sale investments are financial assets that are intended to be held for an indefinite period of time, which may be sold in response to needs for liquidity or changes in interest rates, exchange rates or equity prices or that are not classified as loans and receivables, held-to-maturity investments or financial assets at fair value through profit or loss.

(c). Trade Receivables

Trade Receivables are non-derivative financial assets with fixed or determinable payments that are not quoted in an active market. Receivables arising from ordinary transactions are also classified in this category and are reviewed for impairment.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST DECEMBER, 2022

2.1.2 Recognition & Measurement

Financial assets are initially recognized at fair value plus, in the case of all financial assets not carried at fair value through profit or loss, transaction costs that are directly attributable to their acquisition. Financial assets carried at fair value through profit or losses are initially recognized at fair value, and transaction costs are expensed in the income statement. Financial assets are derecognized when the rights to receive cash flows from them have expired or where they have been transferred and the club has also transferred substantially all risks and rewards of ownership. Available-for-sale financial assets are subsequently carried at fair value. Trade receivables and held-to-maturity financial assets are carried at amortized cost using the effective interest method.

Changes in the fair value of monetary and non-monetary securities classified as available for sale are recognized in other comprehensive income.

When securities classified as available for sale are sold or impaired, the accumulated fair value adjustments recognized in other comprehensive income are included in the income statement as net realized gains/losses on financial assets.

Interest on available-for-sale securities calculated using the effective interest method is recognized in the income statement.

2.1.3 Determination of Fair Value

The fair value of loans and advances as well as liabilities to banks and customers are determined using a present value model on the basis of contractually agreed cash flows, taking into account credit quality, liquidity and costs.

The carrying value less impairment provision of trade receivables and payables are assumed to approximate their fair values.

2.1.4 De - Recognition

A financial asset (or, where applicable a part of a financial asset or part of a Group of similar financial assets) is derecognized when:

The rights to receive cash flows from the asset have expired.

The Club has transferred its rights to receive cash flows from the asset or has assumed an obligation to pay the received cash flows in full without material delay to a third party under a 'pass-through' arrangement; and either.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST DECEMBER, 2022

2.1.4 De - Recognition (Cont'd)

- (a) The Club has transferred substantially all the risks and rewards of the asset, or
- (b) The Club has neither transferred nor retained substantially all the risks and rewards of the asset, but has transferred control of the asset.

When the Club has transferred its rights to receive cash flows from an asset or has entered into a pass-through arrangement, and has neither transferred nor retained substantially all of the risks and rewards of the asset nor transferred control of it, the asset is recognized to the extent of the Club's continuing involvement in it. In that case, the Club also recognizes an associated liability. The transferred asset and the associated liability are measured on a basis that reflects the rights and obligations that the Club has retained. Continuing involvement that takes the form of a guarantee over the transferred asset is measured at the lower of the original carrying amount of the asset and the maximum amount of consideration that the Club could be required to repay.

2.1.5 Taxation

Current Taxes

The provision for Income Tax is based on the elements of Income & Expenditure as reported in the financial statements and computed in accordance with the provisions of the Inland Revenue Act No. 24 of 2017 and the amendments thereto.

2.1.6 Borrowing Costs

Borrowing costs that are directly attributable to acquisition, construction or production of qualifying assets, which takes substantial period of time to get ready for its intended use or sale, are recognized as expenses in the period in which they are incurred and charged to the Statement of Comprehensive Income.

2.2 Valuation of Assets & their Measurement Bases

2.2.1 <u>Inventories</u>

Inventories are valued at the lower of cost and net realizable value, after making due allowances for obsolete and slow moving items. Net realizable value is the price at which inventories can be sold in the ordinary course of business less the estimated cost of completion and the estimated cost necessary to make the sale.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST DECEMBER, 2022

2.2.2 Cash & Cash Equivalents

Cash and cash equivalents are defined as cash in hand, demand deposits and short-term highly liquid investments, readily convertible to known amounts of cash and subject to insignificant risk of changes in value.

For the purpose of cash flow statement, cash and cash equivalents consist of cash in hand and deposits in banks net of outstanding bank overdrafts. Investments with short maturities i.e. three months or less from the date of acquisitions are also treated as cash equivalents.

2.2.3 Property, Plant & Equipment

(a). Cost / Revaluation

Property and equipment, including owner-occupied property, is stated at cost, excluding the costs of day-to-day servicing, less accumulated depreciation and accumulated impairment losses. Replacement or major inspection costs are capitalized when incurred and if it is probable that future economic benefits associated with the item will flow to the entity and the cost of the item can be measured reliably.

The cost of property and equipment is the cost of acquisition or construction together with any expenses incurred in bringing the asset to its condition for its intended use. Where items of property and equipment are subsequently re-valued, the entire class of such assets is re-valued.

When an asset is re-valued, any increase in the carrying amount is credited directly to a revaluation reserve, except to the extent that it reverses a revaluation decrease of the same asset previously recognized in the income statement, in which case the increase is recognized in the income statement. Any revaluation deficit that offsets a previous surplus in the same asset is directly offset against the surplus in the revaluation reserve and any excess recognized as an expense. Upon disposal, any revaluation reserve relating to the asset sold is transferred to retained earnings.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST DECEMBER, 2022

2.2.3 Property, Plant & Equipment (Cont'd)

(b). Depreciation

The provision for depreciation is calculated by using straight line basis on the cost or valuation of all Property, Plant and Equipment; in order to write off such amounts over the following estimated useful lives. The principal annual rates used are:

Buildings, Swimming Pool & Badminton Complex	Over 40 years @ 2.5%
Furniture & Fittings, Plant & Machinery	Over 10 years @ 10%
Motor Vehicles	Over 6.6 years @ 15%
Computer Equipment, Gym Equipment &	
Children's Play Equipment	Over 05 years @ 20%
Restaurant Utilities, Bar Utilities &	
Bar/Restaurant System	Over 04 years @ 25%
Admin, Restaurant & Kitchen Tools	Over 01 year @ 100%

Depreciation of an asset begins when it is available for use as determined by the management and depreciation of an asset ceases at the earlier of the date that the asset is classified as held for disposal and the date that the asset is derecognized.

(c). Impairment of Assets

The carrying amount of the Club's asset is reviewed at each reporting date to determine whether there is, any indication of impairment. If any such indications exist then the assets recoverable amount is estimated.

An impairment loss is recognized if the carrying amount of an asset or its cash generating unit exceeds its recoverable amount. A cash generating unit is the smallest identifiable asset group that generates cash flows that are largely independent from other assets and Clubs impairment losses are recognized in income statement.

The recoverable amount of an asset or cash generating unit is the greater of its value in use and its fair value less costs to sell. In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessment of the time value of money and the risk specific to the asset.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST DECEMBER, 2022

2.2.3 Property, Plant & Equipment (Cont'd)

(d). Impairment of Assets

Impairment losses in respect of assets other than goodwill recognized in prior periods are assessed at each reporting date for any indications that the loss has decreased or no longer exists. An impairment loss is reversed if there has been a change in the estimates used to determine the recoverable amount. An impairment loss is reversed only to the extent that the assets' carrying amount does not exceed the carrying amount that would have been determined net of depreciation or amortization if no impairment loss had been recognized.

2.3 Liabilities & Provisions

All known liabilities have been accounted for in preparing the financial statements.

2.3.1 Retirement Benefit Obligations

(a) Defined Benefit Plan - Gratuity

Gratuity is a Defined Benefit Plan. In order to meet this liability, a provision is carried forward in the Statement of Financial Position, based on a half a month's salary of the last month of the financial year in respect of all employees who have had five years of service, commencing from the first year of service.

(b) <u>Defined Contribution Plans-Employees' Provident Fund & Employees'</u> Trust Fund

Employees are eligible for Employees' Provident Fund Contributions and Employees' Trust Fund Contributions in accordance with the respective Statutes and Regulations.

2.4 Capital Grants

Grants are related to assets. These grants have been deferred in the Statement of Financial Position and credited to the Comprehensive Income over the useful life of the related assets. Donations received to meet expenses in a given year are accounted for on receipt basis.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST DECEMBER, 2022

2.5 <u>Comprehensive Income</u>

2.5.1 Revenue Recognition

Revenue is recognized to the extent that it is probable that the economic benefits will flow to the Club and the revenue and associated costs incurred or to be incurred can be reliably measured. The following specific criteria are used for the purpose of recognition of revenue.

(a) Sale of Goods

Revenue from sale of goods in the Bar and Restaurant is recognized when the significant risks and rewards of ownership of the goods have been passed to the buyer.

(b) Rendering of Services

Revenue from rendering of services is recognized on an accrual basis.

(c) Interest

Interest income is recognized on an accrual basis.

(d) Rental Income

Rental income is recognized on an accrual basis.

(e) Membership/Subscription Income

Membership / Subscription income is "recognized on an accrual basis".

(f) Other Income

Other Income is recognized on an accrual Basis

Net gains and losses of a revenue nature on the disposal of Property, Plant & Equipment and other noncurrent assets including investments have been accounted for in the Statement of Comprehensive Income, having deducted from proceeds on disposal, the carrying amount of the assets and related selling expenses. On disposal of revalued Property, Plant and Equipment, amount remaining in the Revaluation Reserve relating to that asset is transferred directly to income over expenditure.

2.5.2 Expenditure Recognition

Expenses are recognized in the Statement of Comprehensive Income on the basis of a direct association between the cost incurred and the earning of specific items of income. All expenditure incurred in the running of the business and in maintaining the Property, Plant & Equipment in a state of efficiency has been charged to income in arriving at the income over expenditure for the year.

2.6 Leases

Payments made under operating leases are recognised in profit or loss on a straight-line basis over the term of the lease. Lease incentives received are recognised as an integral part of the total lease expense, over the term of the lease.

Minimum lease payments made under finance leases are apportioned between the finance expense and the reduction of the outstanding liability. The finance expense is allocated to each period during the lease term so as to produce a constant periodic rate of interest on the remaining balance of the liability.
